# Product Specification Sheet

## Targus 15” Side Access Laptop Roller

### Part #: OCN700

## Product Description:

The Targus Side Access Notebook Roller is the perfect solution for quick overnight trips. This side-access roller offers immediate access to your notebook and stores clothes tightly away. Features include a spacious clothing compartment with mesh storage, and an easy-access front work station for files, cell phone, PDA and notebook accessories. And with its telescoping handle and removable slip case for notebook storage, this roller case removes weight from your shoulders while giving you easy access to all your mobile accessories.
